

Declaration of REACH Compliance

REACH relating to the Registration, Evaluation, Authorization and Restriction of Chemicals (EC1907/2006) came into force on June 1, 2008. Subsequent amendments have been issued expanding the list of identified substances covered by this regulation.

As of July 8, 2021, the ECHA has identified 219 candidate Substances of Very High Concern.

As of this date, October 1, 2021 and based on our supply chain vendor supplied analysis, we declare that all products manufactured and supplied do not contain any of the SVHC's in any concentration greater than 0.1% and hereby certify that its products are in full compliance with all aspects of REACH regulation (EC) No. 10907/2006 of the European Parliament and the Council of 18 December 2006, concerning the Registration, Evaluation, Authorization and Restriction of Chemical (REACH).
