ISO 9001: 2015 Certified

DCM Manufacturing Inc., a Dreison International Company, is a recognized leader in the manufacturing and sales of OEM air movement products and DC motors for the mobile HVAC markets. Dreison International Inc. began operations in 1976. Corporate offices are located in Cleveland, Ohio and Grand Prairie, Texas, with manufacturing in Mexico and China.

Bus and specialty vehicle products include electric motors, axial fans and centrifugal blowers for condensers, evaporators and heaters utilizing 12 and 24-volt DC motors. DCM also manufactures a complete line of Plastic ventilation Louvers and Accessories.

DCM bus replacement products are found in a variety of vehicles throughout the North American school bus, shuttle bus, and general transportation industry.

DCM OEM bus parts have been a standard in the industry dating back to the development of bus heating and air conditioning.

Please contact our Sales/Service department (**216-265-8006 x109** or **djohnson@dcm-mfg.com**) for information regarding terms and pricing or visit our website at **www.dcm-mfg.com**.
